## ABOUT ROSE-HULMAN INSTITUTE OF TECHNOLOGY

Rose-Hulman Institute of Technology is a nationally recognized leader in undergraduate STEM education, delivering an exceptional return on investment and preparing students for career success from day one. With hands-on access to cutting-edge labs, expert faculty mentorship, and a curriculum rooted in innovation and real-world application, students gain experience that's often reserved for graduate-level programs at other institutions.

For more than 20 years, Rose-Hulman has maintained a near-100% career placement rate. Students thrive in a close-knit campus community with 90+ student clubs and organizations, 20 NCAA Division III athletic teams, nationally competitive project teams, and a vibrant Greek life scene. This well-rounded college experience supports both academic excellence and personal growth, ensuring that graduates are well prepared for impactful careers, entrepreneurship, and leadership roles in science, technology, engineering, and mathematics.

## ACCREDITATION

Rose-Hulman is regularly evaluated to ensure compliance with federal regulations and quality standards established by accreditation agencies.

Rose-Hulman has been accredited by the Higher Learning Commission since 1916. Our most recent reaffirmation of accreditation occurred in 2024-2025. Additionally, several of Rose-Hulman's degree programs have received specialized accreditation. The Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Engineering Design, Mechanical Engineering, NanoEngineering, Optical Engineering, and Software Engineering programs are accredited by the Engineering Accreditation Commission (EAC) of ABET. The Computer Science Program is accredited by the Computing Accreditation Commission (CAC) of ABET. The most recent ABET comprehensive reviews of our programs occurred during the 2024-2025 academic year.

For more information on the Institute's accreditation, please visit: <https://www.rose-hulman.edu/academics/academic-affairs/irpa/accreditation/index.html> (<https://www.rose-hulman.edu/academics/academic-affairs/irpa/accreditation/>)

## CAMPUS

Located on a scenic 1,300-acre campus in Terre Haute, Indiana, Rose-Hulman is regionally located near Indianapolis, St. Louis and Chicago.

At Rose-Hulman, a STEM-focused education is complemented by an active and engaging campus experience. From traditions that span generations to brand-new facilities designed for modern learning and living, Rose-Hulman students benefit from a rich campus culture that blends academic rigor with opportunities to connect, lead, and grow.
