

ELECTRICAL & COMPUTER ENGINEERING

Requirements

The Minor in ECE is designed to allow students to add another dimension to their Rose-Hulman degree.

Advisor: ECE Department Head

Requirements for Minor in ECE

Code	Title	Hours
Select one of the following:		4
ECE 203	DC Circuits	
ES 213 & 213L	Electrical Systems and Electrical Systems Lab	
Plus five additional ECE courses, except:		20
ECE 160	Engineering Practice	
ECE 203	DC Circuits	
ECE 362	Principles of Design	
ECE 460	Engineering Design I	
ECE 461	Engineering Design II	
ECE 462	Engineering Design III	
ECE 466	Consulting Engineering Seminar	
ECE 206	Elements of Electrical Engineering
