

# UNDERGRADUATE PROGRAMS OF STUDY

---

Learn from world-class professors in our top-ranked engineering, science and mathematics programs, where you can choose to augment your major with a minor or specialized certificate, and get hands-on multidisciplinary experience. Explore our undergraduate programs below or on the left bar menu.

- Software Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/software-engineering-bs/>)

- Biochemistry (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/biochemistry-bs/>)
- Biochemistry & Molecular Biology (Second Major Only) (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/biochemistry-molecular-biology-second-major/>)
- Biology (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/biology-bs/>)
- Biomathematics (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/biomathematics-bs/>)
- Biomedical Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/biomedical-engineering-bs/>)
- Chemical Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/chemical-engineering-bs/>)
- Chemistry (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/chemistry-bs/>)
- Civil Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/civil-engineering-bs/>)
- Computational Science (Second Major Only) (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/computational-science-major-second-major/>)
- Computer Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/computer-engineering-bs/>)
- Computer Science (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/computer-science-bs/>)
- Data Science (Second Major Only) (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/data-science-major-second-major/>)
- Electrical Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/electrical-engineering-bs/>)
- Engineering Design (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/engineering-design-bs/>)
- International Computer Science (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/international-computer-science-bs/>)
- International Studies (Second Major Only) (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/international-studies-major-second-major/>)
- Mathematics (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/mathematics-bs/>)
- Mechanical Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/mechanical-engineering-bs/>)
- NanoEngineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/nanoengineering-bs/>)
- Optical Engineering (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/optical-engineering-bs/>)
- Physics (<https://catalog.rose-hulman.edu/catalog/undergraduate-programs-study/physics-bs/>)
